# A "SHINING" SUCCESS!!!!

Submitted by Linda Connors

July 25<sup>th</sup> turned out to be another beautiful Pacific Northwest day! Not only was it sunny and in the low 90's temperature wise but 55 people brought their 24 or so, honestly I kept losing count, gorgeous corvettes out to JC Motors for food, fun and a lot of spit and shine. And thanks to all our vendors and volunteers, this year's event went off without a hitch!!

I would like to thank all of our Sponsors who donated everything from hats and shirts to tools and oil to our raffle. Without their support we couldn't pull it off:

Automotive Electric Distributors  
Automotive Products Inc.  
Clarks Auto Parts Napa  
JC Motors  
Petro Card &  
Walker/Maramount

Because of all their generosity everyone was able to leave with a prize of their choice. Congratulations to our Grand Prize winners Dave Rahahn and Alan Cohen who each received a six-pack of Mobile One Oil and matching hat. Not sure how he keeps doing it but this was Alan's second year in a row winning the oil!

A great big Thanks goes out to Steve at B&B Auto Supply who supplied us with all the water and pop that kept us well hydrated on this very warm day!! This was B&B's second year donating to our event and their continued support is greatly appreciated!

Now, for all of our wonderful fellow club members who work so hard without complaint to help pull it all together, I hope you all know how much we truly appreciate you!!!

-To Janet – the best bartender around and I have to say probably the most popular girl there that day, thanks for always being there for me.

-To our Chefs – Jay and Ron, congrats on not burning the burgers but how is that hairline healing Ron? Thanks guys, you looked super cute in your aprons!

-To Linda B – our raffle Goddess, you did a fantastic job organizing all the prizes for me so quickly that morning, all at the drop of a hat & shirts & pens, haha. Couldn't have done it without ya!

-To Anna who jumped right in without even being asked to help Linda out. You made sure every one got on the list and got all their tickets, no easy task with this bunch, thanks chickie!

-To Vicky and Al who donated to the Grand Prize Raffle. Very cool, Thanks!

-Thank you to all who participated in the White Elephant Raffle, I had a ton of fun and countless laughs with that one. I appreciate your patience; it did take a while!

-To our Rack Jockeys – Larry D. and Tim S. – a lot of sweat went into helping Pat, Tom and crew get all those cars on and off the racks safely, thanks for coming in early, you're awesome!

-To Gary and Finis for putting on a detail demo/clinic for us all. Our glass top looks FABULOUS!!

Thanks guys!

To Mytsi – my event photog – thanks woman, you always manage to get the shot even when they're fighting ya!

-To everyone who brought in food for the potluck, wonderful and tasty as always! Ann thanks for letting me force you into Banana Splits again this year; the boys (meaning Pat, Tom and crew of course) are really enjoying the leftovers!

-To all of you ladies, and you know who you are, who helped Ann get things prepared for the banquet and hospitality night (please forgive me but there were so many of you generously pitching in I'm afraid if I tried to list you all I would forget someone) you ROCK!! I know Ann was a little worried the work wouldn't get done in time, not that she ever does that, but you all managed to pull it off at a record pace, and judging by all the chatting and laughing going on over there I'm guessing you had a pretty good time.

-Thanks to all you Classic Judges who showed up for the clinic. It sure makes things a lot smoother at the Show n Shine when the training has already been done and all the questions have already been answered. Your generosity with your time helps make it a great show!

-To Corey, Barry and Mike – the JC Motors crew who generously gave up their Sunday to come down and ensure that this event and its participants were well taken care of, we all can't thank you enough!

-Last but certainly not least – To Pat and Tom of JC Motors whose brilliant idea it was last year to open up the shop to anyone who wanted to come down and baby their cars just a little; your hard work, dedication and giving natures...oh who am I kidding... it's your senses of humor, smart\*\*\* comments and true enjoyment of having all those really cool cars filling up the place that make this event truly "SHINE". Thank you both; you make me proud to be your wife and suito-wife!

To all who came out on that oh so warm Sunday afternoon, we really hope you got all of your cleaning done and had a little fun too! We really do love hanging out with ya all, you're a "SHINING" example of what makes Rose City Corvettes such a great club to be a part of!!!

Thanks for participating – We'll see you all next year!!!
